About this guide

Stagecoach Supertram serves Sheffield with a network linking six park and ride sites with:

- the city centre
- rail stations
- shopping areas
- universities
- the Cathedral
- many popular sports and entertainment venues

Tickets are available on board all trams via the conductor, who can also help with any queries you may have. Information is also available at all tram stops, displaying up to date timetables, fares and passenger notices. Customer help points are also provided at many stops.

Please note: Monthly Megariders are only available through Travel South Yorkshire Information Centres and student Unirider tickets are available online.

*Whilst we make every effort to run as per the times shown inside this guide, changes to the services may occur due to unforseen circumstances.

Tram Guide – This guide contains information on how to travel on the tram network. The fold-out section at the back shows a full network map and destination finder for arts, shopping and sports facilities in the city. Locations of tram Park & Ride sites are shown as are summarised timetables for all three tram routes.
